Dear **Name:** \_\_\_\_\_,

It is a pleasure to invite you and your company to Denver, CO, USA to attend the annual 2023 **Connected Aviation Intelligence Summit**. The Summit is being held September 6-8, 2023 at the Hilton City Center Denver, in Denver, CO.

The **Connected Aviation Intelligence Summit** is dedicated to providing international attendees an outlook for the aviation technology ecosystem that is constantly finding ways to innovate and advance during this unprecedented time for the industry.

I would like to request that the Visa accommodates the length of the conference as well as allow for adequate travel time. Expenses will be covered by your sponsoring company, and you will earn no salary from a US source during this trip.

It is important to note that a visa is required for the purpose of visiting the United States. Advance travel planning and early visa application are critical to allow for lengthy processing times. For more information on how to apply for your visa and the time required for visa processing, please contact the Consular Section of the Embassy or Consulate nearest you. A list of consular offices is available online at <https://www.usembassy.gov/>.

Please visit our web site at [www.CAI-Summit.com](http://www.CAI-Summit.com) to receive additional information about the show, as well as access to housing and registration forms.

Thank you for your interest in **Connected Aviation Intelligence Summit**. We hope that you will be able to join us in Denver, CO this coming September.

Sincerely,
